NEWS UPDATES

Bulldog Families:

MVHS Administration has been made aware of a potential threat to Mount Vernon High School. We have traced the threat back to the source and do not believe that it is a credible threat. Regardless, we take any threat to the safety of students and staff very seriously.

We have notified MVPD and The Skagit County Sheriff's Department. We understand that these types of rumors can be very unsettling. We are doing our best to help students to feel safe and secure today.

Thank You,
Rod Merrell, Principal

Bulldog Students:

MVHS Administration was made aware of a potential threat to Mount Vernon High School on Tuesday evening.

If you were late to school or were absent, please bring a note in to excuse the absence.

If you have any concerns, please let an adult know immediately.

We are lucky that we have students that let us know when they have concerns. Thanks to all the students who came forward and shared their concerns. That is how we ensure that this is a safe place to learn.
