MONTHLY WELLNESS TIPS

From your MVHS Counseling Team

May 2023 Issue #6

May is Mental Health Awareness Month! The end of the school year can be a stressful time, whether your a student who is preparing for finals or a teacher trying to juggle your many responsibilities; Now is the time to check in with yourself and reflect on the following questions over the next month:

1. How have I been feeling lately (stressed, burned-out, hopeful, excited, nervous, etc.)? Sit with those emotions and allow yourself to feel them with no judgement.
2. Who are the people I trust to talk to when times are tough? (Teachers, adults in the community, friends, family, etc.).
3. What is something I can do for myself over the next month (besides school, work, other responsibilities-- something for YOU and your mental health)?
4. Have I checked in with the people I'm close to lately? How are my strong friends?
5. What are some things that have been effecting my mental health lately? Write them down or say them out-loud to someone you trust.
