Bee's at MVHS

We have two beehives on the 3rd floor balcony of New Main. Please come and enjoy the view from behind the windows whenever you are in the area. We will open a hive every Thursday after school when the weather is nice. You can wear a bee suit and participate if you like. Permission slips are available by the beehives. If you have a life-threatening allergy to bee stings, you must contact our school nurse as soon as possible. The stinging insects that have been harassing you on our campus are not our honey bees. These are yellow jackets and our honey bees will arrive on campus next week. Our bees are not interested in your food and will not act aggressively toward you! See Mr. Engman in New Main 304 for more information.
