ADD/DROP CLASS POLICY

Our goal is to keep disruptions to student schedules and teacher class lists to a minimum. If a course change is necessary during the first eight days (four class sessions) of the semester (**window closes on 2/8/24 @ 2:30 pm**) requests for the following reasons will be reviewed:

- Schedule is incomplete (missing a class)
- Student has already taken and passed a non-repeatable class
- Student does not meet prerequisite for the class
- Student needs course for graduation requirements
- Inappropriate skill level placement (e.g., incorrect math level)

NOTE: MVHS does not make teacher based schedule changes. To make a schedule change request for one of the reasons listed above, please scan/photo the QR code to receive a link to the Change Request Form.

Continue to follow your schedule as listed in Skyward. If counselors are able to make change requested you will receive an email within one school week. If you do not receive an email within - one school week that means your requested change was not possible.
