MVHS Early Childhood Education Program

While working hands-on with preschool aged (3-5-year-old) children on our on-site Little Friends Preschool, MVHS Students learn and gain skills in the field of child education. At the end, MVHS Students with the help of their teacher, Amanda McColl, put on graduation for their pre-school students that demonstrates their skills in teaching preschool age children and celebrating their growth with their families. Watch the video below to see the event!
